AEDS JOURNAL SUBJECT INDEX

Volume 16, Numbers 1-4
October 1982 through September 1983

Academic Computing
Dougherty, D. M. "Academic computing: The state of the art in equipment, organization, and the trend to terminal use and networking." 16:2:69-78.
Gordon, S.P. "Results of a project for developing an academic computing program." 16:2:113-122.

Academic Learning Time
Bright, G.W. "Explaining the efficiency of computer assisted instruction." 16:3:144-152.

Academic Performance
Konvalina, J., Stephens, L., & Wileman, S. "Identifying factors influencing computer science aptitude and achievement." 16:2:106-112.

Administrative Computing
Freeman, R.J. "SDS—An innovative student data system." 16:1:16-43.

Attitude
Stevens, D. "Educators' perceptions of computers in education: 1979 and 1981." 16:1:1-15.

Cognitive-Process Instruction
White, K.B., & Collins, R.W. "An experimental investigation utilizing the computer as a tool for stimulating reasoning skills." 16:4:234-243.

Cognitive Processes
Steele, A.C., & White, K.B. "Systems development: The processing stages." 16:3:188-195.

Cognitive Styles
Stevens, D. "Cognitive processes and success of students in instructional computer courses." 16:4:228-233.

Cognitive Type
Davis, D.L. "The effect of cognitive type and communication style on the communication of management information system concepts." 16:3:137-143.

Communication
Davis, D.L. "The effect of cognitive type and communications style on the communication of management information system concepts." 16:3:137-143.

Communication Styles
Davis, D.L. "The effect of cognitive type and communications style on the communication of management information system concepts." 16:3:137-143.

Computer-Assisted Instruction
Johnson, D.L., Willis, J., & Danley, W. "A comparison of traditional and computer-based methods of teaching students to administer individual intelligence tests." 16:1:56-64.
